

Program 8 -1.

A terminal window with a dark purple background and a grey title bar. The title bar contains the text "Terminal File Edit View Search Terminal Help" and three window control icons (close, minimize, maximize). The terminal shows a command prompt where the user has entered the command to run a program. The output of the program is displayed on the next line.

```
philiip@mr-grey:~/Documents/cpp_projects/Programming-one/chap8$ ./program1
You earned 100 points on test 4
philiip@mr-grey:~/Documents/cpp_projects/Programming-one/chap8$
